

The State of New Hampshire  
**Department of Environmental Services**

**Thomas S. Burack, Commissioner**

**NEW HAMPSHIRE  
DEPARTMENT OF ENVIRONMENTAL SERVICES**

**REQUEST FOR QUALIFICATIONS:  
LEIGHTON BROOK STABILIZATION PROJECT**

**Response to Questions Received**

**Q: Is there an estimate on the project? Is the funding in place?**

A: We have a cost estimate and project budget secured, but these are not available during the pre-qualification process for bidders.

**Q: Are the plans available for viewing?**

A: The designs are not available during the pre-qualification process. These will be made available during the bid process after the pre-qualification process is complete.

**Q: Who oversees the project?**

A: The New Hampshire Department of Environmental Services is providing funding and ownership of the project. Inter-Fluve will be the owner's technical representative during construction.

**Q: What is the start date for the project?**

A: Likely beginning of summer.
